

SKI WEEKEND

The Fifth Annual City Island Yacht Club Ski Weekend will again be held at Mt. Snow, West Dover, Vermont on Saturday & Sunday, January 30th & 31st, 2010.

We'll be meeting at the mountain on both days for some great group skiing.

All are then welcomed to raft up with Dan Pocchiari and Josi Morales at their place for a Saturday evening après ski get together where Josi's array of appetizers will persuade you to cancel any dinner reservations you might have made.

For more detailed information on the weekend, accommodations, driving directions or if you're just looking for a support group to help you get through sailing withdrawal, call Dan at his office (212-237-1125) or at home (212-737-1458) or Josi on her cell at (347) 276-2256.

Hope to see you in Vermont!
