2010 Spring Seminar Series – Knowledge is Power!

Once again our Spring Seminar Series features a roster of well-known professionals, sailors and racers. Each speaker combines great knowledge and expertise in their field with the ability to impart that knowledge in a clear and entertaining style. All seminars will take place on Wednesdays in March and April, each featuring an ample Q & A period, and are free of charge.

Our Pub Room will be open early for dinner and drinks. As space is limited and this Series is always popular, contacting the Club with number attending and your dinner intentions is highly recommended, at 718.885.2487 or email at cityislandyc@aol.com. For location and directions see our website: www.cityislandyc.org.

Learn to Pre-Survey - Captain Daniel J. Sheehan, AMS, SAMS - March 3rd at 7:30 PM:

If you are currently searching for a boat, or about to commence, here's how to make an informed assessment before you call the surveyor. Topics, among others: Determining true value; when an older boat is a good buy; valuation of new or recent models; The Project Boat - Blessing or black hole.

Sail Trim and Racing Tactics with Kerry Klinger of UK/Halsey Sails - March 10th at 7:30 PM:

Kerry's CIYC seminar last year was rated 'Outstanding' by all attendees. This year Kerry will focus on boat set-up and sail trim for the cruiser who wants to get there faster, and the racer who wants to beat the stuffing out of the competition. Efficient hardware set-up and getting the most out of your sails will be key topics.

New and Improved 2009 Race Rules - Butch Ulmer of UK/Halsey Sails - March 24th at 7:00 PM:

Some important changes to the 2009 Racing Rules of Sailing have been made for this year, and there's no one better to lead us through them than Butch Ulmer. His wit, wisdom, expert knowledge, and inimitable style always combine for a terrific seminar.

Hands-On Boat Maintenance & Prep – Robin Ricca and the Ricca Auto Body Team – March 31st at 7:00 PM:

***This is a CIYC Member-only seminar**, limited to the first 30 members who sign up. A fully hands-on seminar, including instruction on bottom painting, buffing a hull, drilling and filling for new hardware installation, and techniques with West System products. Small groups will rotate "teaching stations" every 30 minutes, receive instruction, and then try the techniques themselves – A unique opportunity to learn from professionals!

Sailboat Rigging - Jeff Lazar, Performance Yacht Management - April 14th at 7:00 PM:

Jeff Lazar has been a rigger, sailor and racer for decades, and is routinely recommended by spar builders and equipment manufacturers as the go-to pro in our area. From the newest high-tech lines to hardware solutions and applications, Jeff will cover it all.

First Aid for Sailors - Patrick Smith - April 21st at 7:00 PM:

Indispensable knowledge for all sailors – Patrick will cover the basics that could save a life.

Race Day Preparation - John Esposito and Brett Clark - April 28th at 7:00 PM:

The current teaming of Hustler's John Esposito and Quantum Sails' Brett Clark continues Hustler's indomitable winning streak on the Sound. Here's the chance to hear how winners get it done - repeatedly. Race preparation for currents, course, and wind strategy are a few of the key topics to be covered. The gems dispensed here will up your game this season!
