2. Do not mix products.
3. Ensure products are labeled clearly.
4. Tightly seal and package all containers.

Tips: Syringes and lancets should be packaged in a “sharps” container or other leak-proof, puncture-resistant container, and clearly labeled. TVs or computer monitors with broken glass should be placed in separate sealed bags or boxes.

Only NYC residential waste will be accepted. No commercial vehicles allowed. Residents **MUST** provide proof of NYC residency (NYS driver’s license, utility bill, etc.). For more information, visit nyc.gov/safedisposal.
