

Why City Island Yacht Club?

If you live in the tri-state metropolitan area, City Island Yacht Club is convenient to you. Any day of the week becomes a fine time to come out to the club for a sail!

City Island is the gateway to the expanse of Long Island Sound, one of America's great boating areas. The club facilities make boat ownership and social sailing convenient, rewarding, and affordable. Our member-run community is committed to the sport of sailing, marine education, and the social aspects of a like-minded group of men and women who enjoy time on and by the water.

City Island Yacht Club

Come Sail with Us!

For more than a century City Island Yacht Club has been a vibrant and welcoming community for boaters on Eastchester Bay in western Long Island Sound.

Our club is a friendly gathering place for all those who enjoy spending time on the water. We're open to cruisers, racers, and any and all recreational sailors. Whether you're experienced or just a beginner, at CIYC you will find a lively, warm, and friendly home that offers membership options to suit your needs.

Boat Owner Membership

Our large and well-maintained mooring area is sheltered and deep, providing a safe harbor for our fleet. We have the largest waterfront and the deepest dockside on City Island.

Many of our boat-owner members participate in our casual weekend social races, regattas, weekend cruises, and Wednesday night races.

Benefits: Full access to club amenities including locker room, dinghy storage, 24-7 in-season launch service, professional yard services, boat hauling, winter storage, participatory voting rights to shape club operations, and reciprocity with other yacht clubs.

Social Membership

No boat? No problem! City Island Yacht Club has a strong tradition of welcoming all. If you enjoy sailing, racing, cruising or simply the ability to watch the sunset from our porch and to dine in our shore-side restaurant, this is the place for you. Our active social programs open opportunities for the non-boat owner to meet and sail with boat owners.

Benefits: Access to our historic club house facility, dining privileges at our private restaurant and pub facilities with outstanding sunset/dock views. With Social Membership you'll be able to participate in social events, crew for races and cruises, and meet new friends.

Club Boat Membership

CIYC's unique Club Boat Membership Program provides all the benefits of membership without the need to own a boat. It's a great opportunity for both experienced and newer sailors. The program allows you to sail aboard our club boats at your convenience. Our club boat fleet of three Catalina 25's, and a Merit 25 offer options for both cruising and racing.

Benefits: Same as Social Membership plus additional full use of all waterfront facilities and the club boat fleet, and reciprocal privileges with other area Yacht Clubs.

What are you waiting for?

Contact us and arrange a tour! Call the club office at 718.885.2487 or email membership@cityislandyc.org.
